

That's How We Show Our Thoughtfulness

Song performed by Kumu Tori Kaeo

Nā Kula Kamali'i ma Kamehameha

KS Kona Preschool

- **'Ohana Message:** Despite this year's uncertainty with COVID-19, may we all realize and become aware of all the blessings we do have. One of those blessings is having the time to give our kamali'i (little ones) opportunities to demonstrate aloha while making sure to acknowledge their efforts. (Please note, this was recorded back in November).

Instructions:

- Click on the link to learn the song and hand motions. This song teaches the Hawaiian words for thoughtful behaviors we want all our keiki to demonstrate such as saying please, listening, and saying sorry among others. Teach your keiki the song and motions and remember to do the following:
- Throughout the days ahead, be mindful and acknowledge those acts of kindness and thoughtfulness that your keiki are exhibiting and give them props! This will help reinforce their effort and the understanding of aloha.
